

Brand New Strings
Keith Sewell/Steve Leslie

[A] Daddy came runnin' cross the railroad tracks
[A] Said boy, you won't believe your ears
[A] There's pickin' on the front porch at Johnny Stacks
[D] He ain't played like that in [A] years
[D] Ain't played nothin' like that in [A] years

(Chorus)

His [D] heart is poundin' like that [A] ole guitar
[D] Lord, just listen to it [A] ring
[C] All he ever played was the [D] blues before
But [F#m] love can do wonderful [A] things
Hey, [D] Johnny's got some [C] brand new [A] strings

They say she's a waitress down in Carbondale
He met her at the county fair
She's a good Baptist girl with amber eyes
And long, long chestnut hair
Lord, have mercy, way down to here

(Chorus)

Repeat Chorus as instrumental until everyone had gotten a chance
to solo.....
