**E** I never seen a night so long. When times goes crawling by **E7**  
**A** The moon just went behind a cloud. To hide it's face and cry **B7** **E** **E7**

Did you ever see a robin weep. When leaves began to die?  
Like me he's lost the will to live. I'm so lonesome I could cry

The silence of a falling star. Lights up a purple sky

And as I wonder where you are. I'm so lonesome I could cry
