Robert Earl is a friend of mine

**G C**  
You know he's always looking after my best  
interest

**G C**  
He told me: Lyle P. you need to get some  
action

**A7 D7**  
Get your head back in line

**B7 C7**  
You need to get out on your own, boy

**B7 C7**  
This hanging around here's got to stop

**Eb7 D7**  
Get out on your own, boy  
**Eb7 D7**  
And take a little trip to the record shop

**G C**  
I said: The record shop?

**C**  
But, Robert, I don't need no records

**G C**  
He just smiled and he said what you need is a

**G C**  
Record lady (record lady)

**G C**  
Record lady (record lady)

**A7**  
She's got the cutest little cartridge

**D7**  
That you've ever seen

**Eb7 D7**  
She's a phonographic dream

I didn't waste no time about it  
I put on my coat and shoes  
I packed up my old rocking chair  
And I left them hell on Church Street blues  
And I went down to the record shop  
What else could I do?

She was five-foot-one and three-quarters  
inches  
But Lord, she claimed she five-foot-two

Well she looked at me with her big green eyes  
She said: Can I help you find something?

I said: What you got on special?

Record lady (record lady)  
Record lady (record lady)  
She's got the cutest little cartridge  
That you've ever seen  
She's a phonographic dream

Acting very sophisticated  
I began to browse around  
I walked up to the record lady  
And I said: I sure do like what I have found  
It would be so beautiful  
Please, come away with me  
We could run down to Istanbul  
Or maybe even gay Paree

Well she looked at me with her big green eyes  
She said: Can I help you find something?  
I said: What you got on special?

Record lady (record lady)  
Record lady (record lady)  
She's got the cutest little cartridge  
That you've ever seen  
She's a phonographic dream  
A phonographic dream

One day you know I will see  
My phonographic fantasy  
In sweet fulfillment to the last detail  
Down in Acapulco or even somewhere else  
Just her and me together  
The whole day long  
Her and me together  
Playing them records all night long

She's the record lady (record lady)  
Record lady (record lady)  
Record lady (record lady)  
She set 'er spinning mama (record lady)  
Don't ever stop
