

# One Time Zone to Go.....Fred Powell

C7 B7 Em..... C7 B7 Em..... C7 B7 Em..... C7 B7 Em.....

C7 B7 Em C7 B7 Em  
Flying the pass by Alpine, leaving the desert below.

Am  
The roads climb high, into the sky.

C7 B7 Em C7 B7 Em  
With just one time zone to go, only one time zone to go.

C7 B7 Em C7 B7 Em  
Touching the mountains that move my mind, dodging the ice and the snow.

Am  
Miles fly by, and so do I

C7 B7 Em C7 B7 Em  
With just one time zone to go, only one time zone to go.

C7 B7 Em C7 B7 Em  
You got one time zone to go, just one time zone to go.

Am Em Am Em  
Never before and never again, ..... would I find myself in the trouble I'm in.

Am Em  
Headlight beams cut the night, .....pulling me on to the speed of light.

Am B7  
Holding on, ... but I must let go.....

C7 B7 Em Em  
With just one time zone to go.....

**BREAK**

C7 B7 Em  
The faster we move, the slower time passes

C7 B7 Em  
It's a fact, you ought to know

Am  
This could be the drive, where you never arrive

C7 B7 Em C7 B7 Em  
With just one time zone to go, only one time zone to go.

C7 B7 Em C7 B7 Em  
You got one time zone to go, just one time zone to go.

C7 B7 Em  
You may find yourself on the road at night

C7 B7 Em  
You may find yourself in the stars.

Am  
Ever faster and never slow

C7 B7 Em C7 B7 Em  
With just one time zone to go, only one time zone to go.

C7 B7 Em C7 B7 Em  
You got one time zone to go, just one time zone to go.
