E F#m B E  
See what you lost when you left this world, this sweet old world  
E F#m B  
See what you lost when you left this world, this sweet old world

E F#m B E  
The breath from your own lips, the touch of fingertips  
E F#m B  
A sweet and tender kiss  
E F#m B E  
The sound of a midnight train, wearing someone's ring  
E F#m B  
Someone calling your name

A G#m  
Somebody so warm cradled in your arm  
A B  
Didn't you think you were worth anything

E F#m B E  
See what you lost when you left this world, this sweet old world  
E F#m B  
See what you lost when you left this world, this sweet old world

E F#m B E  
Millions of us in love, promises made good  
E F#m B  
Your own flesh and blood  
E F#m B E  
Looking for some truth, dancing with no shoes  
E F#m B  
The beat, the rhythm, the blues

A G#m  
The pounding of your heart's drum together with another one  
A B  
Didn't you think anyone loved you

E F#m B E  
See what you lost when you left this world, this sweet old world  
E F#m B  
See what you lost when you left this world, this sweet old world

See what you lost when you left this world, this sweet old world
