

Just Like a Woman.....Bob Dylan

C F G C C F G C
Nobody feels any pain, tonight as I stand inside the rain

F G F G
Everybody knows, that Baby's got new clothes

F Em Dm C F G7
But lately I see her ribbons and her bows

Am C F G7sus4
Have fallen from her curls.

C Em Dm F
She takes just like a woman, yes she does,

C Em Dm F
She makes love just like a woman, yes she does,

C Em Dm F
And she aches, just like a woman,
G7sus4 G7 G7sus2 G7 C [famous fill]
but she breaks, just like a little girl.

F C F G C

Queen Mary, she's my friend, yes I believe I'll go see her again.
Noboby has to guess, that baby can't be blessed,
'Till she sees finally that she's like all the rest.
With her fog, her amphetamines, and her pearls

She takes just like a woman, yes she does,
She makes love just like a woman, yes she does,
And she aches, just like a woman,
but she breaks, just like a little girl.

E C Csus4 C
It was raining from the first And I was dying there of thirst, so I came in here

E F
And your long-time curse hurts, but what's worse, is this pain in here.

G7sus4 G7 G7sus2 G7
I can't stay in here, ain't it clear that

I just can't fit.
Yes I believe it's time for us to quit.
And when we meet again, Introduced as friends,
Please don't let on that you knew me when,
I was hungry, and it was your world.

C Em Dm F
You take just like a woman, yes you do
C Em Dm F
And you make love just like a woman, yes you does,

C Em Dm F
Oh, you fake, just like a woman,
G7sus4 G7 G7sus2 G7
but you break break, just like a little girl.
