

**Another Perfect Day** (music and lyrics by Fred Powell, ascap)

C Em F G

Lizard eyes, with a buffle head.

C Em F G

Tumble on down the stairs, you old sleepy head

C Em F G

Girls are sleeping, snuggled up above.

C Em F G

And you fall into my lap, for a little of your daddy's love.

Fsus G

Then you slip away,

Fsus G

It's the start of another perfect day,

Fsus G

And I wish that I could stop the time,

Fsus G

And hold you in my arms, forever.

Going up the hill and I'm a taking you to school.

Time to do your best and to follow all the rules.

Such a gentle soul, with visions all your own.

And I wonder what you're going to be like when you've grown.

Then you break away.

Running off into the middle of another perfect day.

And I wish that I could stop the time,

And hold this memory, forever.

(BREAK)

Turning out the light and I'm a putting you to bed.

Killer whales and dolphin toys are swimming round your head.

Time to sing that song about this old whale.

Time to float away to dreamland.

Then you drift away.

It's the end of another perfect day.

And I know that I have stopped the time,

Cause I'll hold you just like this, forever.
